### Visitor Profile - Type of Industry

### Visitor Profile - Nature of Business

### Visitor Profile - Role in Purchasing

## Concurrent Trade Fair Cast India Expo 2020

*Building brand India  
a global sourcing  
destination for castings*

The only trade fair in India, which is rapidly becoming one of the important casting sourcing destinations in Asia - Cast India Expo will be organized concurrent to IFEX 2020 and 68<sup>th</sup> Indian Foundry Congress. This is an excellent platform for the foundries from all across India to display their capacities and capabilities to the buyers coming from across the globe.

Cast India Expo is a platform for the Indian Casting Manufacturers to display their casting manufacturing capacities and capabilities. The presence of these casting manufacturers as exhibitors in the same venue will provide a ready customer base for Indian and International suppliers.

## Meet the decisions makers...

IFEX, has now become the most important platform for the foundry industry of the Indian sub-continent as a sourcing ground for all their foundry requirements.

### Visitor Profile

<b>Admission</b>	Trade visitors only
<b>Frequency</b>	Annual

### Venue:

Chennai Trade Center was set up in 2001 by the India Trade Promotion Organisation (Government of India) and Tamil Nadu Industrial Development Corporation (Government of Tamil Nadu) as a joint venture. Spread over 25.48 acres, the Centre has three large Exhibition Halls and a Convention Centre.

The three Exhibition Halls extend over 10,560 square metres of air conditioned space, without any intermittent pillars or columns. They can be utilized for exhibitions, conferences, conventions, product launches and for conducting trade, commerce and other industry-related events. Halls 1 and 2 are inter-lined by a large lobby, which has a passage with two rooms for the organizer. Hall 3 is connected with a vestibule that leads to the Convention Centre's banquet hall. All the Exhibition halls and Convention Centre are interconnected.

### 68<sup>th</sup> Indian Foundry Congress

68<sup>th</sup> Indian Foundry Congress, IFEX 2020 and Cast India Expo the flagship events of the Institute of Indian Foundrymen (IIF) will be organized concurrently during February 28 – March 1, 2020 at the same venue. It is a unique platform to discuss and deliberate on the latest trends and challenges being faced by the foundry industry and formulate future strategies. Indian Foundry Congress is playing an important role for the over all growth of the industry.
